COMMUNITY

Kuswag School's annual Soap Box day!

Kuswag School's annual Soap Box Day was once again filled with excitement, laughter and a whole lot of chaos! Learners gathered to support their classmates as the homemade soap boxes lined up, ready to race down the track.

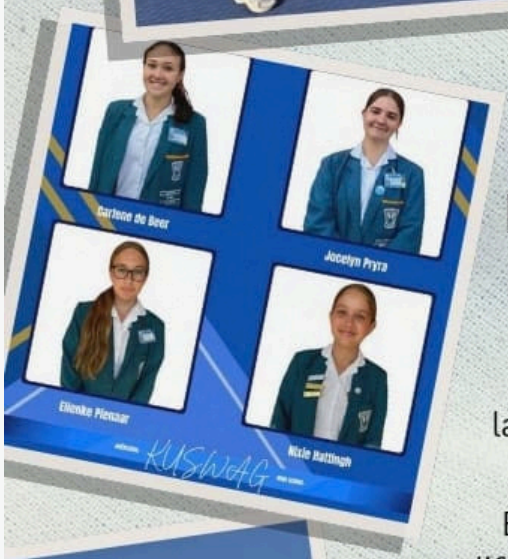

The races started off with plenty of confidence, but not every soap box seemed to get the memo! Some flew down the track, while others had their own plans and made for some hilarious moments. The cheering from the crowd only made the races even more exciting as everyone shouted for their teams to reach the finish line.

With fast races, funny moments and lots of school spirit, Soap Box Day was definitely one of the highlights of the year. It was a day full of memories, laughter and just enough competition to make everyone want to race again next year!

What a Wonderful Fast Five Season!

From the first game to the very last whistle, the Fast Five season was filled with excitement, laughter, teamwork and, of course, plenty of netball!

Every game brought something different. There were amazing goals, quick passes, great defensive plays and those moments where everyone was holding their breath, hoping the ball would go in. Even when things got tough, the team kept pushing and supporting one another.

Although the season has come to an end, the memories will definitely stay with us. From the exciting games to the funniest moments, it was a season to remember.
